INSTALLATION AND USAGE

INSTALLATION

⚠ WARNING

- Water from any garden hose can be contaminated and cause serious health effects. Never drink water from a hose.
- This product is not a toy. Keep out of reach of children.
- For general outdoor use only at 116 psi or less.
- Do not use this sprayer for commercial purposes, hot water applications, or high-pressure applications. Doing so could result in serious personal injury or damage or destroy of the product.
- Do not leave this product unattended while in use. Disconnect the hose and store inside during freezing or extremely hot weather to prevent product damage.
- Do not direct the high pressure spray toward people, pets, or fragile objects. Misuse could cause personal injury or property damage.
